What will be happening...

In October, we will be covering letters F through I.

We will be talking and journaling about Fall and Halloween.

We will also have a visit from a Palos Park Police Officer to discuss Halloween safety.

In science, we will be exploring what items sink or float, we will discuss how to prevent germs from spreading, and build houses with marshmallows and pasta!

In art we will discuss Pablo Picasso and Georgia O’Keefe and make our own masterpiece.

**Large Motor**

As long as the weather cooperates, the children will be going outside to play at the park and participate in group games.

Please have the students wear gym shoes to our program. Sandals, flip flops or crocs will be detrimental to our large motor activities.

---

**October 2016**

October 7 No Kids Zone

October 10 Columbus Day, no school

November 4 is no PM kindergarten. Let us know if you need your child to attend Kids Zone on that day. It will require guardian pick up at 11:45am from our classroom.

---
