Signature of Property Owner

CONDITIONS: This permit is hereby granted with the understanding that the contractor shall work in accordance with plans and specifications; and that all general and detail work connected with such installation, alteration, or repair of any such plumbing shall be done in strict compliance with the ordinances of the Village of Palos Park, Illinois.

PLUMBING INSPECTION: Site cannot be backfilled until inspected and approved by the Village. The request for inspection should be made at least 48 hours in advance of such requested inspection. Should it be necessary for a re-inspection by reason of incomplete or rejected work, a fee of \$50.00 shall be charged for such added inspection; such fee to be paid to the Village Collector.

PERMIT FEES: \$100.00

REQUIREMENTS:

1. Special Assessments or Tap-In Fees are paid to date.
2. Plumbers Cash Bond of \$500.00 posted at time of permit application. Cash Bond is refundable upon project completion.
3. Submit Plat of survey or Site Plan along with permit application. Please indicate the location of a well, water service line, measurements between the sewer and water lines, and the number of feet from the closest sewer connection.

4. The contractor's layout of the plan showing the sewer connection, the number of feet from the house to the stub, and "Y" cleanouts must be submitted.

5. The following materials and connections should be specified:
* clean out required where house sewer connects to Village stub at street.

* 6" x 4" mission coupling and "y" connection with cleanout at house iron.

* 6" x 6" mission coupling or matching pip connection at point of connection to Village system.

* 6" pipe to meet code. * SDR 26 or equivalent.

6. All discharges must go to the sewer, including those from floor drains. Discharges from footing tile, sump pumps, and downspouts are excluded.

7. It is the contractor's responsibility to have all septic and aerobic tanks pumped and filled with sand or stone. Receipt for work must be shown.

8. Allow 24 hours to issue permit and 48 hours for inspections.

9. Utility Billing fees begin the day of installation. If the owner listed is not the recipient of the bill please notify the Utility Department 708-671-3721.
