All contractors must have a Village of Palos Park business license and be bonded and insured.

ADDITIONAL INFORMATION:

1. Permits are valid for length of time specified on the permit issued.
2. Signs shall be anchored to the ground.
3. All signage is to conform to building codes.
4. All signage work shall conform to Village ordinances.
5. If electrified, the sign shall be grounded per 1996 N.E.C. code.
6. Temporary signs shall not obstruct the view of traffic in any way.

7 **ANY** changes in plans after a permit is issued must be approved by the Building Director, or the permit is subject to a **STOP ORDER**.

8. Those applicants wishing to display a temporary sign at one of the commercial complexes of the Village must provide the Village with a letter of permission from the owner of the complex.
