I think we should embrace this "Unplug" day; perhaps have a day filled with organized activities like summer camp and trail rides.

Yes Lisa, a Resolution would be great, maybe for one of the March meetings.

Hey Rick and Team,

On Saturday, July 15th, the Illinois Parks and Recreations Association will be celebrating its 5th Annual Unplug Illinois Day. Unplug Illinois is a campaign created by IPRA that encourages people to unplug from their electronic devices and plug into play, creativity, friendship, adventure, and family. I am planning on doing something for this day but still fleshing out ideas. Feel free to look at the website and if you'd like to see anything in particular let me know – no idea is a bad idea.

Meeting of: March 13, 2023

7:30 PM

Kaptur Administrative Center

AGENDA MATTER:

Approve Purchase of a New Grasshopper Riding Lawnmower.

BACKGROUND/HISTORY:

One of the older Grasshopper riding lawnmowers became too expensive to repair this past summer. Public Works would like to purchase a replacement mower prior to the growing season. PW received three prices for the new mower. DeKane Equipment out of Big Rock, Illinois came in at \$16,575.00, De Jong Equipment out of Beecher, Illinois came in at \$21,170.00 and Kubota Direct came in at a starting price of \$19,999.00. Public Works is seeking approval to purchase the new mower from DeKane Equipment. Since the new truck proposed in the ½% budget was not available, there is money in the budget to purchase the mower.

STAFF RECOMMENDATION:

Staff recommends approval of the proposal from DeKane Equipment to purchase a new Grasshopper mower.

RECOMMENDED MOTION:

I move to approve the proposal from DeKane Equipment in Big Rock, Il. in the amount of \$16,575.00 to purchase a new Grasshopper Riding Lawnmower.

CONSTRUCTION CONDUCT & WORK HOURS

We all have a role in protecting, maintaining, and improving our environment. Construction conduct means being a good neighbor. Village Code Chapters 1460, 652, and 480 define appropriate conduct on construction sites. Please review codes on-line or get a copy at the Kaptur Center. The goal is to keep undesirable impacts to a minimum. Respect for neighbors, safety, and cleanliness will lead to a successful construction project.

Contractor work hours are Monday – Friday 7AM – 8PM or dusk if earlier and Saturday 7AM – 5PM or dusk if earlier and not on New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Homeowners may do construction Monday – Saturday 7AM – 9PM or dusk if earlier and Sundays and Holidays 10AM – 6PM or dusk if earlier.

Please contact the Village if you notice any work being done outside of work hours.

The Palos Park Police Department will kick off the 2023 "Coffee with A Cop" at the Plush Horse, which is located at The Plush Horse 1230rd &. 86th Ave from 11am -Noon on Wednesday March 15, 2023.

Coffee with a Cop Wednesday March 15, 2023 at the Plush Horse March 15, 2023 will feature a special guest, Mayor John Mahoney. This will be a good chance to warm up with a hot cup of coffee and catch up with Palos Park's village leaders.

The program highlights the fact that we are all stakeholders in the community and we need to engage in conversation with each other.

Stop by, have a cup of coffee and let's talk, even if it's just about the weather, it's a start towards open communication, sharing ideas and developing a partnership. Mayor John Mahoney said, "He is always happy to meet with the people he serves, by engaging with the community as a way to make sure we're open, and we listen, and take feedback to heart."

Palos Park Police step up patrols ahead of the Saint Patrick's Day holiday

Keep our roads safe - plan ahead to stay safe on Friday, March 17th - Saint Patrick's Day

Palos Park Police are encouraging folks to plan ahead for a safe ride home and urge everyone to have a plan this St. Patrick's Day. If you plan on drinking, designate a sober driver. A day of celebrating can quickly turn to tragedy because of impaired driving.

St. Patrick's Day is an international celebration of Irish culture and heritage. However, some take the revelry a bit far. A recent study reveals that St. Patrick's Day is the third most popular drinking day of the year in the U.S., and it is the highest-grossing day of the year for bars and restaurants. Sadly, this has served to make the roads more dangerous for everyone. According to the National Highway Traffic Safety Administration (NHTSA), 63 percent of crash fatalities between midnight and 6 a.m. during the 2019 holiday involved a drunk driver.

Choosing to drive drunk can ruin or end the life of the driver and others around them. If you are in Palos Park and had too much to drink, call us we will get you home safely, you can contact Chief Joe Miller's Cell phone at 259 1035 and he will get you home safely. A day of celebrating can quickly turn to tragedy because of impaired driving. St. Patrick's Day is one of the deadliest holidays due to the number of drunk drivers on the road.

Chief Miller noted, "If there's anything we can do to make sure people don't drink and drive, that's what we want to do. We just want people to have a good time, but be responsible."

Palos Park Police and National Highway Traffic Safety Administration recommends the following these steps for enjoying a safe holiday without jeopardizing lives on the road.

- Before the festivities begin, plan a way to safely get home at the end of the night.
- Before you start drinking, designate a sober driver and leave your car keys at home.
- If you're impaired, use a taxi, call a sober friend or family member, use public transportation, or contact Chief Joe Miller's Cell phone at 259 1035 and PPPD will get you home safely.
