Commissioner James Pavlatos
Commissioner Dan Polk
Commissioner Nicole Milovich-Walters
Commissioner G. Darryl Reed

Meeting of:

March 25, 2019

7:30 PM

Kaptur Administrative Center

AGENDA MATTER:

Award the contract to the low bidder for the Southwest Highway Sanitary Sewer

BACKGROUND/HISTORY:

The Public Works Department requested and received approval to go out for bids on the Southwest Highway Sanitary Sewer in November of 2018. A conflict with a ComEd utility pole delayed the project until now. This sewer line, in an easement in the rear of several homes (11921, 11923, and 11931) on the east side of Southwest Highway north of 121st Street is being replaced because of several major defects found during televising. The Village has also previously performed two spot repairs on this section of sewer. The Village has received permission from the owner of the vacant lot at 11923 to access the area which will limit brush and tree removal the Village would have to do if the Village had to enter the easement from 121st Street or 80th Avenue. Four contractors took plans and two returned bids, Airy's at \$40,900 and Riccio at \$60,600.00. Based on the plans the engineers estimate for the project was \$ 41,150.00. There was \$130,000.00 put in the sewer fund budget to cover engineering and construction. The approved engineering was \$ 9,880.00. The Village paid \$4,200.00 to have trees removed, the low bid is \$40,900, construction engineering will be covered in house, and restoration will cost \$ 12,000.00. The project total of \$66,980.00 came in \$63,020.00 under the budgeted number.

STAFF RECOMMENDATION:

Staff recommends accepting the bid and awarding the contract to complete the Southwest Highway Sanitary Sewer to Airy's Inc.

RECOMMENDED MOTION:

I move to accept the bid and award the contract for the Southwest Highway Sanitary Sewer to Airy's Inc. in the amount of \$ 40,900.00.
