CONSTRUCTION CONDUCT ACKNOWLEDGEMENT FORM

We all have a role in protecting, maintaining, and improving our environment. *Construction Conduct* means being a good neighbor. Village Code Chapters 1460, 652, and 480 defines appropriate conduct on construction sites. Please review codes on-line or get a copy at the Kaptur Center. The goal is to keep undesirable impacts to a minimum. Respect for neighbors, safety, and cleanliness will lead to a successful construction project.

Requirements:

- Contractors** work hours are Monday through Friday 7AM – 8PM or dusk if earlier and Saturday 7AM – 5PM or dusk if earlier and not on New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. **Homeowners** may do construction Monday – Saturday 7AM – 9PM or dusk if earlier and Sundays and Holidays 10AM – 6PM or dusk if earlier.
- Conduct standards include:

Keep site and equipment safe	Clean mud off streets
Do not store dirt, materials, or containers on parkway	No burning
No trespass on neighbors’ land or driveways	Do not obstruct traffic
Put waste in containers and haul away when full	Keep noise to a minimum
Do not compromise protection fences	
Do not park off-site unless pre-approved in writing by the Village	
Restrain silt, gravel, trash, refuse and other items from being washed, blown, carried or otherwise conveyed off of the site.	
- For larger jobs, such as new buildings and additions, a Conduct Plan is required to be submitted with a permit application: identify the disturbance area on the site plan along with locations for access, excavation spoils, material stockpiles, dumpster, toilet, 6’ high chain link protection fence, concrete truck washout area, parking, and notice letters to the neighbors. Samples of a plan and letter are in the Code. The Village will post a sign on these large construction sites summarizing the Conduct Standards.

*By my signature below,
I acknowledge that I have read this form on Construction Conduct form, understand the terms and conditions contained therein, and voluntarily agree to be bound thereby in regard to any work that is performed by me or my company within the boundaries of the Village of Palos Park. In regard to any violation of the terms and conditions of this Construction Conduct form by me or my company, I and my company agree to indemnify and hold harmless the Village of Palos Park, and its officers, agents and employees with respect to any claim or loss, including, but not limited to, attorney’s fees, costs and expenses of litigation, claims, and judgments in connection with any and all claims for damages of any kind to the extent they arise, either directly or indirectly, out of my acts or omissions, or the acts or omissions of my company, or any of its officers, agents or employees, within the Village of Palos Park or in relation to any work being performed in the Village of Palos Park.*
