

INVESTMENT

A commitment to improving and maximizing the Village of Palos Park's water distribution system for future generations.

M.E. Simpson Co., Inc. is pleased to present our "Proposal" for a Water Distribution System Leak Detection program for the Village of Palos Park, Illinois. M.E. Simpson Co., Inc. will perform our leak detection services on approximately 26.8 miles of watermain within the Village of Palos Park's water distribution system. The survey will be completed by listening on the accessible main line valves, fire hydrants and as needed services by one of our two-man teams with all necessary equipment furnished by M.E. Simpson Co., Inc. as described within this document. The project will also include complete reporting of all issues found, with a final comprehensive report.

2021 Leak Survey

Water Distribution System Leak Survey Program Daily Fee of
\$1,975.00 per day not to exceed (3 days)

**Any water main surveyed in addition to the above 26.8 original miles (3 days) of
watermain will be surveyed at the daily rate.

\$5,925.00
