MEETING OF: April 9, 2012

7:30 p.m.

Kaptur Administrative Center

AGENDA MATTER:

Hire Wilson Rental Inc. to provide some of the festival facility planning, tents and equipment needed for the Autumn In The Park Festival.

BACKGROUND/HISTORY:

The Village's successful fall event (formerly Parade and Chili-Cook Off) has been held for eight years and is in need of updating and expansion. To expand this festival into a first-class regional event we will need to include many new attractions. The Village will need to utilize expertise in festival design and layout to have a first-class event that will attract people from the region.

STAFF RECOMMENDATION:

Staff would recommend the selection of Wilson Rental, Inc. to assist in the festival layout design and supply the tenting, upscale lighting, electric, flooring, furniture (including set up and take down) of all equipment for the proposal amount of \$11,841.13. Wilson Rental, Inc. has worked on large festivals for Homer Glen, Taste of Orland, and Chicago Ridge Fest; they also do work with the United States Secret Service among others.

RECOMMENDED MOTION:

I move to approve hiring Wilson Rental Inc. at a cost of \$11,841.13 to provide some of the festival facility planning, tents and equipment needed for the Autumn In The Park Festival.
