Dear Dan,

It was a pleasure working with The Village of Palos Park in 2007 and I look forward to working with you this upcoming season.

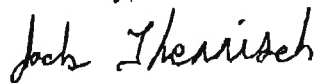

With spring approaching, it is that time of year to consider mosquito control to protect the residents of Palos Park from the annoyance of biting mosquitoes and potential mosquito-borne diseases.

I have enclosed a renewal contract for the 2008 season along with a return envelope. Clarke is also extending the option of renewing service until 2010 with rates not exceeding a 5% annual increase.

If you have questions regarding any aspect of your contract of services, please feel free to contact me at 630-671-3129 or by email at jackthennisch@clarkemosquito.com.

Thank you for the confidence you have placed in Clarke. We sincerely appreciate the continuous opportunity to service the Village of Palos Park.

Sincerely,

Jack Thennisch
